Please answer questions below and diagram problem spots on the map on page 2):

- Yes No I have seen personal injury on my block caused by vehicles
- Yes No I have had property on my block damaged by vehicles
- Yes No I sometimes have problems exiting my own driveway due to traffic
- Yes No Loud vehicle noises (between 11pm and 6am) are a consistent problem on my block
-
- Yes No STOP sign violators are a consistent problem on my block
- Yes No Drivers who violate STOP signs are probably aware of the STOP signs
- Yes No STOP signs on my block are too small
- Yes No STOP signs on my block are too far from the roadway
- Yes No STOP signs on my block are hard to see while driving
- Yes No I want ticketed Police enforcement of STOP sign violators on my block
-
- Yes No SPEED violators are a consistent problem on my block
- Yes No There are not enough SPEED limit signs on my block to control violations.
- Yes No I want signs showing SPEED violators the dollar amounts of tickets they face when caught
- Yes No I want ticketed Police enforcement of SPEED violators on my block
- Yes No I want radar SPEED signs or trailers on my block (ticketed OR display only)
- Yes No If the speed limit on my block is 30 mph, I want it lowered to a 25 mph limit
-
- Yes No Abandoned vehicles or RVs PARKed on my block are a consistent problem
- Yes No I want ticketed Police enforcement of abandoned vehicles PARKed on my block
- Yes No I want solid white painted lines marking the border of the PARKing lane on my block.
-
- Yes No I would support signage requiring daytime headlight usage on my block if available data supported that it could decrease either STOP sign or SPEED limit violations
-
- Yes No Traffic violations on my block are increased by vehicles using my block as a pass through from Cabrillo Hwy (1) to Linda Mar Blvd
-
- Yes No I would tolerate corporate branded crosswalk safety solutions for Pacifica Public Schools (Probably Tech or Healthcare, NO vice products-tobacco, alcohol, gambling)
-
- Yes No I support restoring the North side sidewalk (currently dirt) on Crespi Dr from De Solo Dr to Peralta Rd to avoid school bound children having to cross Crespi Dr multiple times.
-
- Yes No The Crespi Dr & Roberts Rd intersection has a safety problem.
-
- Yes No I support a traffic light at the Crespi Dr & Fassler Ave intersection
